

## GUIDELINES

### FOR AUTHORS REGARDING THE ABSTRACT STYLE AND CONTENT

#### CONTENT

The abstract should contain the following information:

1. a clear initial statement of purposes;
2. (optional) a brief explanation of the relationship to the previous literature on the topic;
3. a summary of the argumentation;
4. (optional) some examples to be used in the argumentation.

#### FORMAT AND STYLE

- The abstract must not be longer than **150 words** (1000 characters including spaces).
- The abstract must be clearly written and suitable for translation.

#### KEY WORDS

The abstract must be followed by **five** keywords that allow the articles to be indexed by subject area, topic, methodology.
